

## Cultural Night, Dec. 1, 2018!!

Come join us in celebrating the **Feast Day of St. Nicholas**, one of the most beloved Saints in all Orthodoxy!

I would like to ask each of the ethnic cultures that we have in our parish to help us in celebrating this great Feast Day. Please contact Andrew Podolak or Susan Pearson if you are willing to participate by presenting a custom of your Orthodox culture that is popular on this day in your native country. Songs, dances, prayers, stories, what makes this special in **Russia, Romania, Ethiopia, Spain/Mexico, Greece, Ukraine etc.**

Presentations should be no longer than 3-5 minutes each.

Popular customs for the Feast of Nativity can also be presented.

We ask that you also bring one food dish that exemplifies the custom of this day in your culture.

If you missed the cultural night last month for the **Feast of the Protection of the Theotokos**, you missed a wonder night of **Ukrainian** culture, food and history. Come join us on December 1, 2018 and enjoy learning about Orthodoxy and how our different cultures celebrate special feast days.
